YELLOW STARHISTLE: CONTROL MEASURES ARE AVAILABLE

Think you're stuck with invasive Yellow Starthistle? Come hear discussion and presentations addressing practical methods and strategies available to control and eradicate this weed from your land.

An educational field meeting will be held Saturday, August 14, 2004 from 9 AM-12 PM at the Sierra Foothill Research and Extension Center. This meeting is free and open to the public. SFREC is located at 8279 Scott Forbes Road, Browns Valley, CA 95918. For information or directions call (530) 639-8800.

Outline of Yellow Starthistle discussion topics:

- Seedbank Dynamics and Management (Necessity of Multiple Year Management)
- Herbicide Application
- Prescribed Burning
- Mowing/Tillage
- Prescribed Grazing
- Toxicity in Horses
- Biological Control Agents
- Incorporation/Planting of Competitive Plant Species
- Cost of Treatments

GLENN NADER, UC FARM ADVISOR

The University of California prohibits discrimination or harassment of any person on the basis of race, color, national origin, religion, sex, gender identity, pregnancy (including childbirth, and medical conditions related to pregnancy or childbirth), physical or mental disability, medical condition (cancer-related or genetic characteristics), ancestry, marital status, age, sexual orientation, citizenship, or status as a covered veteran (covered veterans are special disabled veterans, recently separated veterans, Vietnam era veterans, or any other veterans who served on active duty during a war or in a campaign or expedition for which a campaign badge has been authorized) in any of its programs or activities. University policy is intended to be consistent with the provisions of applicable State and Federal laws. Inquiries regarding the University's nondiscrimination policies may be directed to the Affirmative Action/Staff Personnel Services Director, University of California, Agriculture and Natural Resources, 300 Lakeside Drive, 6th Floor, Oakland, CA 94612-3550, (510) 987-0096.
