“I Have A Dream” by Willa Davis

. . . 'I have a dream that one day this nation will rise up and live out the true meaning of its creed: 'We hold these truths to be self-evident, that all men are created equal.'

. . . I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin but by the content of their character.

. . . Let freedom ring. And when this happens, and when we allow freedom ring — when we let it ring from every village and every hamlet, from every state and every city, we will be able to speed up that day when all of God’s children — black men and white men, Jews and Gentiles, Protestants and Catholics — will be able to join hands and sing in the words of the old Negro spiritual: “Free at last! Free at last! Thank God Almighty, we are free at last!”

These are excerpts from the historic public speech by Dr. Martin Luther King, Jr. when he spoke of his desire for a future where people of color would coexist and live in harmony as equals. King’s delivery of the speech on August 28, 1963 from the steps of the Lincoln Memorial during the 'March on Washington for Jobs and Freedom' was a defining moment of the American civil rights movement.

As most of us celebrated the birthday of Dr. King last month by being given the day off from school and work, I wonder what each of us did to recognize the work of this great leader who used non-violence as a means to achieve his goals for all citizens of America.

I wonder what we did to reach out to others in our community who are not part of the Sutter/Yuba Counties 4-H Youth Development Program, especially those who are from what’s now termed, “underrepresented” or “underserved” populations. These individuals, both youth and adult, include not only those from cultures and ethnicities that are different from a white European background, but also persons who have special needs whether they be physical, mental, or emotional.

Every 4-H club is required to submit an “Outreach Efforts” report by January 1st of each program year. The activities listed on this (cont’d on pg. 5)

Leaders’ Dinner

More than 60 Community Club and Project Leaders and their spouses attended the annual “Leaders’ Dinner” on January 11, 2007. They were treated to ham and lasagna that the Bi-County Council provides as well as a variety of delectable food that comprised the potluck dinner that kicked off the evening.

Milton Greathouse was recognized and honored for the many years of service and dedication to the Sutter/Yuba 4-H Youth Development Program. And, as is customary, there was a fund raiser auction that raised over (cont’d on pg. 3)

5:30 pm @ 4-H Office

4-H Presentations are a special sharing time when you show others what you have learned in 4-H.
$1,000.00 for conferences, scholarships, activities and events in support of the positive development of our youth.

Additionally, Cheryl Guyer, Loan Officer from the local USDA’s Farm Service Agency, spoke on the loans that youth can obtain to operate income-producing projects. See the following article for more news about this exciting program.

Overall, the 2007 Leaders’ Dinner was a hit with everyone who attended. And, as expressed at the dinner, every person who gives their time, talents and oftentimes, their treasures to make the difference in the life of our 4-H youth are to be commended and are valued.

Thanks again for all you do.

HOPE TO SEE YOU THERE!

“Rural Youth Loans”

Would you like to raise an animal as a 4-H project, but don’t have the money to buy it? Maybe, you would like to learn more about sustainable farming as a career. Or, have you ever thought about setting up your own roadside stand to sell the fruits and vegetables from a 4-H garden project, but lack the equipment to do it? If you answered, “yes” to any of these questions, you might want to check out “Rural Youth Loans” that the U.S. Dept. of Agriculture Farm Service Agency sponsors.

These loans are made available to rural youth, 10 to 20 years of age for the purpose of establishing and operating income-producing projects. The project must be an organized and supervised program of work with the assistance of an organization’s advisor.

For more information about the criteria and to obtain an application for these loans, contact Farm Service Agency Loan Officer Cheryl Guyer at (530) 671-0850.

The following are the categories and examples of projects, events and activities for which you could earn points in the NEW RECORD BOOK SYSTEM. In order to judge Record Books in July 2007 and conduct star rank judging, leaders must attend BOTH parts of the training. A training session will be offered on Saturday, March 10th starting at 10:00 am. Review the new ‘Record Book Manual’ and access the new ‘Personal Development Record’ forms by going to:

http://ca4h.org/4resource/forms/index.asp

PLEASE NOTE: Attendance at 80% or more Community Club and Project meetings is still required for earning any achievement rank.

1. **4-H Projects Completed**: It is a requirement that an “Annual Project Report” be completed and included in your folder for each project you complete per year.

2. **4-H Project Skill Activities**: Did you judge a Club Judging Contest, exhibit a project at County Fair last August or participate in a showmanship event at State Fair in September? If so, count points here.

3. **4-H Events Attended**: Will you attend CSU, Chico Swine Day, Goat & Sheep Day or one of the Horses & Ponies Clinics? If so, you will earn these points.

4. **Leadership Development**: Club officers, committee chairs and members, jr. or teen leaders, and members completing a leadership development project are eligible for these points. Attending WHY Conference and State Leadership Conference also makes you eligible.

5. **Citizenship/Community Service**: Serving at a soup kitchen, singing songs at a nursing facility for the elderly, planting trees, and more earn these points.

6. **Communication Skills**: Will you make your bi-county presentation in February? This and other activities where you demonstrate skills in some way count here.

7. **Honors and Recognition**: Only the highest awards (1st place) are counted in this category, such as earning County Winner, Best of Class, Emerald Star, etc.

8. **Lifestyle Activities**: School, sports, church, music, dance lessons, etc. earn these types of points.

---

**ABCs Of Personal Development**

**POLICY REMINDERS AND UPDATES**

* **Wearing Equestrian Helmets**: 4-H members are required to wear the approved type of helmet at any and all times when they are around the animal. This includes while they are mounted and when they are on the ground grooming, feeding and caring for their animals.

* **Shooting Sports Age Eligibility**: The Shooting Sports program is open to all 4-H members 9 years of age or older, or in the 4th grade. Primary Members are children, 5 – 8 years of age, or who will not turn 9 years old until after January 1st of the Program Year, thus they are not eligible to enroll in any Shooting Sports project.

* **Fundraising Compliance**: Policy 703.2 B. 3.b. in Section 700 of the 4-H Policy Handbook, states:

3. All fund raising activities in support of the 4-H YDP must comply with the following:
   
a. ........

b. Public, non-profit agencies, such as the University of California 4-H YDP, are not to conduct lotteries, drawings, raffles, bingo, and other games of chance (See Appendix G: Lotteries.).

When clubs want to add fund raising activities after their club’s budget has been presented to and approved by their club members, a “Sutter/Yuba 4-H Fundraiser Notification” form must be completed and submitted to the 4-H Office for review and approval. Then, the accompanying “Sutter/Yuba 4-H Fundraiser Summary” form must be completed and submitted to the 4-H Office the next working day after the fund raiser as is noted on the form.

Additional State 4-H policies can be found in the California 4-H Policy Handbook and can be accessed both at the Sutter/Yuba Counties 4-H Office and online at: http://www.ca4h.org and clicking on 4-H Administration and then, clicking on 4-H Policies.

**LITERACY VOLUNTEER TUTOR TRAINING**

TO TUTOR ADULTS IN LEARNING HOW TO READ, WRITE AND SPEAK ENGLISH

SATURDAY, FEB. 24, 2007, 9:30 AM - 4:30 PM
750 FORBES AVE., YUBA CITY
FOR MORE INFORMATION, CALL 822-7272
This is the first year for Mayleen Boslaugh to serve as “Horses and Ponies” Project Leader of the Wheatland 4-H Club. However, she served for almost 20 years as a leader in Missouri and was a 4-H member as a youth.

Mayleen says she became a 4-H volunteer because she enjoys teaching, and being and working with youth as they help keep her young. She’s continued as a leader for over 20 years because she believes the work really helps members grow. And, she wants to give back what she was given as a youth.

Honesty, integrity, and good leadership skills are the strongest attributes a 4-H leader can possess or develop, says Mayleen. Leading in a way so the leader doesn’t “overtake” or “put down” members is very important.

Mayleen states that one of the strongest features of our local 4-H program is the way that the 4-H Office provides support to its leaders and allows them the flexibility to teach their projects in their own way as long as they comply with university policy. Her advice to new volunteers is to, “Have a plan and have a realistic goal at the beginning of each year. Then, look for ways to achieve that goal. Kids need to see you fulfill your own goals.”

Lena Contreras is a Resource Leader with the Guide Dogs 4-H Club. She was first introduced to 4-H as an adult member receiving a guide dog herself. Then, she became a leader 16 years ago because she wanted to give back to the “raisers” who had given so much to her.

She’s continues as a Resource Leader because she enjoys seeing the families who are raisers progress in their work with the puppies. She also enjoys seeing the puppies themselves grow up, graduate from the program and go to someone who relies on them.

Lena says that the most important characteristics that a Guide Dog Leader needs is to like both children and dogs, they need to have an open mind and want to help others. Also, they need to keep in mind the greater 4-H Program’s goal and to help members to progress toward adulthood in achieving their own personal goals.

Lena believes that 4-H representation at the County and State Fairs is a strong feature of our local program. It teaches members compassion for both animals and for their fellow human being. She also says that our local program teaches its members the difference between “what’s right” and “what’s politically correct just to go along”. Her recommendation to new 4-H leaders is, “Don’t go into serving lightly. Be committed to both your project and to the overall program. Know what the goals are of your club and then, help the club work toward those goals. Above all else, be a caring person.” Research shows having a relationship with a caring adult contributes to the positive development of our youth.

Hi 4-H: wants to thank everyone who purchased poinsettias during the holiday fundraiser. We are planning to take a ski trip in February. All members in 8th grade and above who want to be Camp Directors need to attend the March 19th meeting at 7:00 pm at the 4-H Office.

Dententer: made Valentine’s Day cards for veterans at the January meeting. 12 leaders and members from the District 10 Club and Plumas Club pitched in to create the valentines. We also decorated a window display at the Yuba County Library letting the community know how our citizenship group helps out the community.

Please ask your reporters to submit information about your club’s great work to Willa Davis by February 15th for the March newsletter.

“I Have A Dream” (cont’d from pg. 1) report indicate what has been done to advertise their meeting locations, times and dates, and to invite those in their community to join the 4-H Program as both members and volunteer leaders. Typically, these activities are conducted in August through October when membership recruitment is emphasized.

I wonder what what could be done to “reach out” to individuals in underrepresented groups so they really feel welcomed and included in our “4-H family”. Are personal invitations being extended to attend a club meeting? Are brochures that describe 4-H projects being delivered to neighbors, schoolmates and co-workers? What more can we do to ensure we are indeed an inclusive youth development program?

I wonder what the Public Relations Committee could be doing differently so that we’re telling the “good news” about how 4-H can help youth from every corner of our community learn citizenship, leadership and life skills? And, what we can do together, not just from August through October, but each and every month?

I welcome your suggestions, your help, and your collaboration so that we truly are implementing “outreach efforts” and so that our local 4-H Program better reflects all the people who make up our wonderfully rich diverse community. Contact me at 822-7515 or wdavis@ucdavis.edu with your ideas and offers of assistance. I have a dream that together we can be leaders in 4-H “outreach efforts” throughout the state. Thanks.

“OUTREACH EFFORTS” REPORTS WERE DUE JANUARY 1, 2007.

THANK YOU FOR SUBMITTING YOURS IMMEDIATELY.
